Bill Roenicke is trying a new grass at the park.

We had a load of bark delivered to Ginger Creek Park and it was put around the landscaping during the June 29th work party. Nine people attended that work party.

Annual picnic planning---We discussed prizes to be handed out and essential jobs. The picnic will be held on July 31st.

Next meeting will be on September 12, 2013 at Donna Thorkildson's house.

(There was no statement of adjournment in the one-page minutes.)

SECRETARY'S NOTE

These minutes are being published to the public for the first time in 2016. They are a transcription of a paper version of the minutes created by Laura Silbernagel in 2013 and distributed to members of the Steering Committee after the Committee had approved them on October 10, 2013. (The original electronic file could not be found, thus the need for this transcription.)
