- Membership is up and the McLendon discount is one of the major reasons. Laura plans on doing a door-to-door membership drive during the next newspaper delivery period.

3. Ginger Creek Park

- We have all the wood chips we need, and they are all spread out. Weeds are staying down because Bill R is diligent. The cork board on the kiosk is gone, we will try something else.
 - Agreement that we will look into adding the Tiffany Park name to our kiosk.
 - The grass that Bill R is trying sounds like a good fit for our park, and he is planning on sewing it this fall.

2. Donna T – RYAC and joint food drive – Agreement is tendered with one request that on the Saturday preferred Nov. 16th the building is open to all ages. Donna will take this info to John Houston.

SECRETARY'S NOTE

These minutes are being published to the public for the first time in 2016. They were approved by the Committee on October 10, 2013 and distributed by Laura in a Word file to members of the Steering Committee. The Word file was discovered in 2015 during a search for missing files.

In June 2016 Dave Beedon edited the original file to clean up formatting, correct typos, and remove the phrase "Meeting Agenda" from the header; then converted the Word file into this PDF file.
