ADMINISTRATIVE BUSINESS

1. APPROVAL OF PREVIOUS MINUTES

Members voted to approve the minutes of the previous meeting (April 2022) of the Steering Committee.

2. NEXT MEETING

The next meeting of the Steering Committee will be held at 6:30 p.m. on August 24, 2022 at the home of Lynda Reed.

3. TREASURER'S REPORT

Cynthia mentioned the dollar amounts in our checking and savings account. She also stated that she is waiting for an amended annual report form from the Secretary of State, which is used to document that our organization still exists.

OTHER BUSINESS (listed alphabetically)

1. GINGER CREEK PARK

Bill said he is in touch with someone who can deliver bark to the park. Dale Blair is keeping the park clean. We can use a weed sprayer with a home-made weed killer. Cynthia will send a recipe to Bill. Spraying must be done when it is not raining.

2. MEMBERSHIP

Recruitment is an issue. Cynthia is making friends with some Allura people but there is little action in getting people to join TPNA. Allura has hired a private company in Bellevue to manage the property.

LaTonya has been working on recruiting new families on Index Avenue.

Dave talked to two people about joining. One said "No" due to being too busy. The other expressed an interest in getting involved with the association. She did not respond to his providing information.

3. MOVIE NIGHT

Scheduled for August 12. Cynthia is optimistic about working with the new person in charge of the City's neighborhood program.

We want Doug Baldwin's Family First organization to participate.

A proposed poster was displayed and discussed. Ideas: delete reference to "RSVP" and e-mail address, add a street address for the park in Tiffany Park.

More discussion is needed about modes of advertising the vent: flyers, posters, sandwich boards, door tags. A planning subcommittee will work on this.

4. TREE-CUTTING

Cynthia explained that suspicious tree-cutting has taken place in a protected area of the Allura development. A large, seemingly healthy maple was cut down. It's not certain that a permit was issued for the work. She is trying to get the city's arborist to look at the tree.

ADJOURNMENT

The meeting was adjourned by Cynthia at 7:45 p.m.

Minutes were recorded and submitted by Dave Beedon acting for Darrin Hanson, Secretary.
