- Cynthia spent a couple hours today going through things, received some donations, and paid off everyone needed.
- Give butter is the source for joining membership.

4. Review of Annual General Mtg (All)

- Since the meeting was hijacked through people outside the community, we moved it to zoom.
- Talked about why the signs said cancelled and not moved to zoom. On Facebook, it was shown all over in different cities. They wouldn't have

been able to control who came, and there were some angry people that wanted to come from all over. That is why it was changed to zoom.

- Follow up with deputy chief about what happened throughout this meeting process. See if there has been any meetings scheduled.
- 5 people came from outside the general committee to the last zoom meeting. Cynthia sent out attachments and received one response from a new neighbor.

5. Reminder to pay for the new session on Give Butter. (all)

- There are 30 members, including steering committee.

6. Ginger Creek Park challenge (all)

- Dale will not be able to take care of Ginger Creek Park any longer. Cynthia met with Remy on November 2nd. Remy is aware of a situation with parks and rec.
- Remy requests information about the park. How many people using park, how many trash bags, etc. Cynthia is giving this information.
- Concern is that we do not have another plan. Looking into a grant from the city. Costs \$150 to pay for mowing, leaf blowing, we cannot afford this.
- Homeowners' association covers small park on Pierce Ave.

- How do we find help from the neighborhood to upkeep this park? We do not want to let this park go and are worried about what will happen to it.
- Will go around and talk to people in the general area about the problem with the park.
- Building tiny house on park? Owner of that house would be responsible for clean up?
- Need to do a survey of how many people use the park.
- Website for history of park on TPNA site.
- Remy can take information received from us to the mayor for support from the city.
