6:35 Welcome Everyone, Quorum call (Lynda)

6:37- Approve minutes from October 12th General meeting (Anna)

(Anna will send those out tonight via email.) Will ask to see if anyone has any suggestions or changes.

6:39- Treasurer report- Cynthia

She has received reimbursement from the City of Renton for the Movie night and the General Meeting items we purchased.

She learned something about Give Butter. Auto \$2 tip comes out on it's own. You can take this out and change it. This goes to Give Butter, not TPNA. There is a fee from Stripe (the company that run the transactions) on top of the Dollar amount charged.

Time to renew! November-October of next year.

Cynthia proposes that she does not hand deliver envelopes to the doors of new members. It was decided by all that she will send an email instead to save time and money.

6:48pm- Welcome- Councilwoman Carmen Rivera!

Update on the neighborhood:

- Basketball hoops at the park are under construction. Rave is an organization that is working with Park and Rec, they started without anyone knowing, they got approved for finance through their organization and started the work. Seattle Storm players will come do practice sessions that come with this program.
- There is a sign up now by the hoops.
- Carmen said neighborhoods were not contacted about the change to the basketball court and she wants to change this for the future.
- Carmen did let the city know that we really need help with GCP and will follow up. She will email Lynda and let us know when she has more information.

- Community services meeting in December on the 4th at 3:30pm. It is open to the public in person or via Zoom.
Go to: Renton.civicweb.com/portal/meetinginformation.aspx
- Tiffany Park restrooms closed in anticipation of the homeless damaging restrooms at other parks. Carmen will be looking into this more. She does not think these should be closed because of this reason.
