- The only paperwork we need are the W9 form, Grant application, and Vendor form for the city. Just to make sure everything stays the same. Cynthia has a file and will share with Lynda. Rhemy brought copies as well. She also needs an estimate for the amount we need. Go higher than needed and keep every receipt. Can also take a picture and email it to her. Everything will be reimbursed. Deadlines to fill out paperwork is 90 days before the event.
- Possibly do an ice cream truck. Pay for the truck up front, and that would be easier to keep cold.
- Park has already been booked. Building is also booked.
- Renton Staff and Council can be there. Rhemy will send an invite to them.

- Games will be brought by Rhemy in the trailer.
- Restroom will be unlocked in a few weeks.
- Day of insurance is needed. Rhemy will send the info to Lynda.
- Pick a movie soon! Send Rhemy when we know. Lynda will send Anna a list of options to ask the kids.
- Rhemy will ask PD about a working mic.
- Parks and Rec not doing movies this year. Could mean ours would be really busy. Possibly find a sponsor to fund the movie screen.
- Volunteer hours: Cynthia has a chart for that and will work with Lynda on that.
- Public works could come and grill at movie night. It is an option. We will decide soon.
- PD will be present for our event since it was so large last year. Will not stay the entirety of the event, but will check in.
- City can make Posters and flyers for us for movie night.

7:20: Basketball/Futsal court

- Refinishing ground starting today, and court will be closed for two weeks.
- Grand opening of the basketball court on July 23rd. Will be a huge event! Sounders and Storm will be there. There will be a DJ and two food trucks.
