# Minutes of the 2025 Annual Meeting of the General Membership of the Tiffany Park Neighborhood Association of Renton, Washington

The meeting was held in the recreation building of Tiffany Park on October 14, 2025.

Participating:

- Steering Committee members: Dave Beedon, Cynthia Garlough, Lynda Reed, and Bill Roenicke
- Several members of the Renton Police Department (listed below)
- About ten residents.

Treasurer Cynthia Garlough called the meeting to order at 6:30 p.m. and welcomed everyone to the meeting. She then reported on the successful Movie Night held in August. Cynthia talked briefly about the association's work at Ginger Creek Park, an asset maintained by volunteers for the benefit of all residents. People do use the park. Cynthia praised a neighbor who has been mowing the grass in the park of her own volition.

Claire Wilkinson talked briefly about the City's neighborhood program and urged residents to comment on a city-sponsored drainage study called "Ginger Creek Subbasin Plan. One goal of the plan is to minimize flooding in the low-elevation terrain around the park in Tiffany Park.

Cynthia then talked about the TPNA's steering committee, which led to formal voting on new officers for the 2025-26 year. There were no new officer candidates so the current officers were re-elected: Lynda Reed as president, Jim Kercher as vice-president, Anna Bloedel as secretary, and Cynthia Garlough as treasurer. Cynthia extolled the good work done by the steering committee and urged residents to get involved with the Association. A major concern of the Association is the challenge of informing residents of the Association and its workings. Word-of-mouth is one answer, as is the use of social media.

Claire then described an event this coming Saturday in which certain pet-related services would be provided at no charge. It is called "Pet Supply and Swap."

The rest of the meeting was a discussion led by members of the Police Department. Brooke Lamothe, Communications &

Community Engagement Coordinator of the department, introduced the speakers:
Chief Jon Schuldt
Deputy Chief Ryan Rutledge
Deputy Chief Jeff Hardin
Sergeant Thielman
K9 Officer Dave Adam
Communications Manager Meeghan Black

The main speaker was Chief Jon Schuldt. Much of the discussion was in a question-and-answer format. Major topics were crime, drug use, illegal camping, and the effects of COVID-19. Officer Adam brought his K-9 tracking dog Xander inside for people to greet and pet.

Cynthia thanked everyone for participating and adjourned the meeting at about 7:45 p.m.

Minutes were recorded by Dave Beedon, acting for Anna Bloedel.
