Neighbor to Neighbor Forum 3/22/25 Synopsis (Cynthia)

TP Neighborhood Program: Do we want to host a program at TP?

From Rhemy: Our Neighborhood Program will be hosting a program series called "Cookin' Up Conversations," with a cooking demonstration mixed with some hands on from participants. Then spend some time eating the food while talking with city staff and/or elected officials. We'd like to partner with the Tiffany Park Neighborhood Association and host one at the Tiffany Park building. Would TPNA be interested in offering this opportunity to your neighbors on any of the following Wednesdays: June 11, July 9, August 13 **We are not going to do this right now.**

- 30 people were at the neighbor forum. Good information.
- If we want to join Cook in, we need to join now. We can have any kind of event with city people, and they will make it happen. **We decided we are not going to do this right now.**

  -

Put up the signs in early June to let folks know They would be happy to include info

for Tiffany Park in their Facebook Post as well.

I would like to put up a sign for this. If anyone wants to participate they can. Let's see what happens. What do you think about this? YES!

7:20

Movie Night:

- Cynthia made it very clear to Rhemy that we cannot front the money for movie night.
- If it is a city event, they will front the money, if it's just us, then we must front the money.
- When the grant came in last year, it was just for our neighborhood, not for the city. We need to make it a city event, and they will pay for everything up front so we won't have to.
- We need to decide if we want to do "Cook-in" or movie night. We are thinking movie night, not Cook-in right now.
- We also have the option to have an event at Carco theater! Something to think about in the future.
- Are there other Movie nights happening in the city? Ask Rhemy.
- We are thinking of **August 15th** for movie night this year! **Apply for grant asap!**
- We need to make sure we are documenting volunteer hours.

Who will find sponsors? **We probably do not need them if the city is paying.**

Can we ask for a $3 donation, if we get a grant? **Probably will not be able to enforce this. Maybe just have a donation jar again.**

What is National night out Tuesday, August 5, that Tanya is doing? **Did not discuss**

What is the celebratory thing that Rhemy is doing in Cascade Park. **Did not discuss**

Tanya was going to get the addresses for Tiffany Park. How do we get these addresses now? Why do we need the addresses? **Did not discuss**

7:31

Social Media ***Will discuss more next time**** (Lynda)

Facebook/Nextdoor: Posted Steering Committee Event for tonight's meeting.

Did we Email a notice about our steering committee meeting to the Email list? Did all the Emails we collect work?

Let them know they can come as guests, but they can't vote unless they are a Steering committee member.

How many Steering Committee members can we have? I assume they must be voted in.

Did Dave note bark spreading on the website? How does that work? Can we tell if we get hits?
