• Identify volunteers to help create and distribute posters.

• Gather more information about the large TPNA sign that Cynthia

mentioned may be available for use.

• Discuss how garage sale dates can be added to the large TPNA sign.

• Create a "Tiffany Park Community Garage Sale" sign:

o Determine design, production method, and responsible volunteer(s).

• Create a long rectangular banner/poster for placement at the roundabout: **We have some! We need to make posters with more info on them**

o Determine design, production method, and responsible volunteer(s).

• Discuss whether flyers are necessary or if other advertising methods will

be sufficient.

• In previous years, a volunteer went door-to-door to identify households participating in the garage sale:

- Are there any volunteers willing to coordinate this effort? **We will not be doing this.**

• Promote the event on Facebook and in the "I Love Renton" community group.

- Include the contact email: Tiffanyparkneighborhood@gmail.com

• Participating households will create and display their own garage sale signs at their homes.

We are putting this on the back burner until next year. We are all very busy and do not have time to plan this year. Let's discuss this in our January meeting. The information above can be saved for next year.
